Old Boys: 2006 FIXTURES (preliminary)

There will be some "allcomers" games at the end of April - venues undecided at present The Greyhares have asked to join with us (same as the LEPS did a few years ago). They have only been fielding 5 or 6 players at some of their games, and we are often 2 or 3 short, so it looks like a good fit. There may be one or two more game arranged over the next few weeks.
